About Us

We transcend the ordinary. At OIT, we are architects of digital innovation, creators of immersive experiences, and masters of branding. Founded with a vision to transform the digital landscape in Eswatini and beyond, we deliver creative, high-quality solutions that drive real growth. Your success is our success. Let's build the future together.

Mission & values

At Oit, our mission is to redefine innovation in the digital age. We are committed to:

Innovation: We are relentless in our pursuit of groundbreaking solutions that push the boundaries of what's possible in the digital world

Quality: Excellence is our standard. We believe in delivering nothing less than perfection in every project we undertake

Client-centric Approach: Your success is our success. We work closely with you to understand your unique needs and tailor our solutions accordingly.

Our services

Branding:

Your brand is your story. We craft unique identities—from striking logos to visionary strategies—that resonate with your audience and leave a lasting impression.

Professional Email & Hosting:

Custom domain emails (e.g., info@outboedit.com) for instant credibility—no more @gmail.com. Includes spam protection, large storage, mobile sync, and 99.9% uptime. Perfect for teams, secure sharing, and professional first impressions.

Website development & Hosting:

We create fast, responsive, high-performance websites that tell your story and engage your audience—backed by secure, lightning-fast, always-available hosting.

CCTV & ALARM SYSTEMS INSTALLATION:

Security matters. Our experts install cutting-edge CCTV and alarm systems to protect your premises and deliver true peace of mind.

Our Vision

Expanding our service offerings to meet evolving digital demands

Strengthening strategic partnerships with industry leaders to stay at the forefront of technology

Growing our client base and entering new markets across the region

Continuously improving internal processes for greater efficiency and client satisfaction
